Founded in 1894, The Children's Home Society of New Jersey is a nonsectarian, not-for-profit private agency that promotes the welfare of infants, children, adolescents and parents throughout New Jersey and Bucks County, Pennsylvania. As a comprehensive counseling, placement, parenting education and child care agency, CHSoFNJ touches the lives of over 84,000 children and families each year.

We save children's lives and build healthy families.

Values

We value services that work, that are all evaluated, and that help children and parents to help themselves. Our services are delivered with dignity, cultural sensitivity and respect for our clients.

Vision

Every child is in a safe, caring, and permanent family. All children and parents have the skills and knowledge they need to help themselves long after our active case involvement has ended.

Why Choose CHSofNJ Adoption Services?

With over 100 years of expertise in the field, CHSofNJ offers many paths to building a family through adoption. Whatever type of adoption you pursue, CHSofNJ will advocate for you and offer our professional assistance every step of the way from your application through your adoption finalization.

Our adoption experience and records date back to the turn of the century. Over these decades we have placed thousands of children with adoptive families. Many people select CHSofNJ for adoption services because permanent record maintenance is so important to all parties involved in adoption. Many choose CHSofNJ because our Post-Adoption Counseling is always available. We believe that adoption is a lifelong process, and our services are designed to support families for the long term.

We're here to help you!

Our services include counseling for birth parents, short-term foster care for infants and toddlers while permanent plans are being made for the child's future, adoption, educational and supportive services, and post-adoption services.

Over the decades, CHSofNJ has found stable, loving adoptive families for thousands of children in need of a permanent family. Yours can be one of those families.

You can provide a child with the love and security that all children need and deserve. Adoption is a wonderful way to begin or expand your family.

While each child is unique, all of our children need loving families.

If you are interested in adoption please contact us. One of our experienced adoption staff would be happy to answer your questions and give you the information that you need to make this important
